

Peace be with you!  
As the Father has sent me,  
I am sending you.

- John 20:21

## WHY WE EXIST

To effectively equip, send, and support cross-cultural missionaries as they participate in God's mission in the world, and to meaningfully involve every supporting congregation in this process.

## WHO WE ARE

The Antioch Partners (TAP) is a missionary sending agency which partners with Presbyterian and other churches to send out followers of Jesus to participate in God's mission in the world through long-term (two years or more), cross-cultural, incarnational service.

TAP prioritizes engaging unreached/least-reached people groups and strengthening the capacity of global partners. Those serving through TAP are involved in various aspects of Kingdom work and raise their own support with assistance from TAP.

## HOW WE SERVE SENDING CHURCHES

- **Partnership with Missionaries:**  
TAP helps churches partner with mission workers for prayer, financial or emotional support.
- **Consultation:**  
TAP staff are eager to assist potential mission workers in the discernment process, as well as helping churches consider sending-agency options for their members (TAP is only one option!).
- **Missionary Support Services:**  
TAP provides mission workers with pre-field assessment, pre-field training, ministry placement, missionary care, ministry accountability, finance and accounting support, benefits (group medical insurance and retirement plans), professional and personal development, and assistance through the end-of-service transition process.
- **Collaborative Missionary Care:**  
TAP is committed to helping sending churches be effectively involved in the process of caring for mission workers.

## HOW YOU CAN PARTICIPATE

**PRAY** for TAP and missionaries serving through TAP.

**SEND** church members through TAP or partner with a TAP missionary.

**SHARE** about TAP with those discerning God's call to mission service, or those wanting to partner with a missionary.

**STAY CONNECTED** by signing up for newsletters and social media.

## CORE VALUES

Some of the core values which guide and shape our participation in God's mission are...

- **Sharing the Good News:**  
We are passionate about sharing the Good News of Jesus.
- **God Already at Work:**  
God calls us to join him in his mission in the world. When considering serving in a given context, our approach is to discern what God is doing, who he is working through, and how he might be calling us to participate in his work.
- **Prayer:**  
Prayer is fundamental in everything we do.
- **Kingdom of God:**  
We understand our involvement in the world in the context of God's Kingdom. This means we are committed to the wholeness of the Gospel: sharing the Good News (words), social action (works), and demonstrations of the Spirit's power (wonders).
- **Church:**  
We believe the church is the primary agent of God's mission in the world.
- **Partnership:**  
We are committed to working in partnership with the global body of Christ. We believe God can do more through us working together than he can when we work independently.
- **Stewardship:**  
As stewards of God's creation, we are accountable to God for our use of his resources in all aspects of our service.
- **Servant Leadership:**  
We believe leaders are called to serve and empower, and we approach decision-making in a participatory, consensus-based manner.
